

WAY OF WISDOM ACADEMY INC.

Official Wolves Athletics Program Catalog & Handbook

At **Way of Wisdom Academy (WOWA)**, we celebrate the spirit of competition and sportsmanship through our Wolves Sports program. Our iconic wolf mascot embodies the resilience, unity, and strength we instill in our students. Through focused training and guided mentorship, we provide structured opportunities for your child to excel, build lifelong leadership skills, strategic thinking, and a profound sense of camaraderie.

OFFICIAL MASCOT BRANDING

1. STUDENT-ATHLETE QUALIFICATIONS & ELIGIBILITY

To join and maintain a position within the athletic program, students must meet strict academic, behavioral, and health standards. Student-athletes represent WOWA at all times, and participation is a privilege.

- **Academic Excellence:** Must maintain consistently good grades in all courses.
- **Exemplary Behavior:** High standards of behavioral discipline are required daily within school and during athletic events.
- **Consistent Attendance:** Excellent attendance records must be maintained; unexcused absences are prohibited.
- **Health Documentation:** All official medical and health papers must be fully in order, demonstrating good physical health to clear the student for strenuous athletic competition.

THREE-WARNING DISCIPLINARY POLICY & ZERO-TOLERANCE CLAUSE

Failure to meet or maintain the required behavioral and school qualifications results in progressive disciplinary enforcement:

- **First Warning:** A formal written warning is issued to the student.
- **Second Warning:** A second written warning is issued, paired with a mandatory parent-coaching meeting.
- **Third Warning:** Immediate expulsion from the sports program with **no opportunity to return**.

⚠ ZERO-TOLERANCE EXCEPTION: Fighting with others results in immediate, automatic expulsion from the sports program without the three-warning process.

2. SPORTS OFFERINGS & TRAINING TRACKS

WOWA Sports offers targeted athletic tracks designed to transition students from foundational drills into high-level school competitions:

Soccer	Basketball	Volleyball
Comprehensive ball handling, tactical field positioning, and agility work.	Focus on court vision, shooting mechanics, teamwork drills, and set plays.	Focused skills development including serving, setting, spiking, and defensive positioning.

Practices initially focus on skills acquisition. Once the coaching staff evaluates that the team is fully prepared, formal competitive games will be scheduled against external schools, opening pathways for athletic talent recognition and future scholarship prospects.

3. PARENT & FAMILY RESPONSIBILITIES

The success of the Wolves athletic programs depends significantly on active parental investment, compliance, and cooperation:

- **Financial Requirements:** Parents are fully responsible for purchasing all required personal training equipment, paying the official uniform production costs, paying necessary travel fees for away matches, and covering any extra or individual food costs.
- **Game Attendance:** Game attendance to support our student-athletes is encouraged and warmly welcomed, but remains entirely optional.
- **Fundraising Participation:** Families are required to fully cooperate and support school fundraising efforts designated for the athletic program.

FUNDRAISING COMPLIANCE NOTICE

Cooperation with financial collections and community fundraising is mandatory. If a student-athlete does not cooperate or participate in fundraising activities, they will be barred from participating or practicing in the specific athletic activity or event funded by that collection.

4. OFFICIAL UNIFORM CATALOG

All official variants are engineered to align with the custom Wolves branding layout. The comprehensive catalog display below demonstrates baselines, typography, numbers placement, and sport-specific variations across all sets.

TEAL SET

Shirt: Vibrant teal tone featuring the full-color Wolves emblem centered on the chest. Rear includes bold yellow typography for player name and numbering.

Shorts: Jet black athletic material stylized with dual energetic yellow claw marks on the front panel and teal numbering.

BLACK SET

Shirt: Sleek black layout presenting the centerpiece front emblem, balanced by bright teal player name lettering and deep yellow numbering on the back.

Shorts: Form-fitting black base matching the teal claw mark cuts and yellow tracking player numbering. Available in compression or loose options.

YELLOW SET

Shirt: Energetic golden-yellow jersey template with full colored front mascot chest logo, complemented by teal typography on the reverse.

Shorts: Consistent black athletic short matching the signature teal claw accents and yellow numbering.

Gender-Specific & Sport-Specific Adjustments

- **Volleyball (Compression):** Female student-athletes utilize the standard sleek cuts and compression configurations displayed in the catalog overview diagram.
- **Basketball (Loose Male):** The male configuration utilizes loose-fitting basketball shorts in black, preserving the identical claw-scratch layout and placement. The tops consist of a classic sleeveless basketball jersey matching the identical color blocking, mascot emblem print, and numbering graphics as the female models.
- **Soccer (Hybrid):** Soccer players utilize the short sleeve shirt layout shown across the yellow and teal styles, paired with loose-cut black athletic shorts for optimized mobility on the field.
